

Roper Man

Lyrics: Gary McGath, Copyright 2002

Music: "Sinner Man," Traditional

Oh, Roper Man, who you gonna turn to, (3x)
All on that day?

Went to the law and the laws were all cut down... (3x)
All on that day?

Went to my lawyer and his line was a-tapping... (3x)
All on that day?

Went to the court and the judge was a general... (3x)
All on that day?

Oh, Roper man, you should have been thinking (3x),
Before that day.
