

What Shall We Do with a U2 Album?

Lyrics: Gary McGath, Copyright 2014

Music: What Shall We Do with a Drunken Sailor?

What shall we do with a U2 album?
What shall we do with a U2 album?
What shall we do with a U2 album,
Sitting on our iPods?

Loop it in detention to punish bad kids ...

Blast it in an ice-bucket challenge ...

Set it as an "ignore this" ringtone ...

Send it to Gitmo for Al Qaeda ...

Play it for the droog named Alex ...

Make it an alarm to scare off burglars ...
