

# Mister Sandman

Lyrics: Gary McGath, Copyright 2022

Music: Pat Ballard, "Mr. Sandman"

C Dm7  
C B7  
Mister Sandman, don't make me scream,  
E7 A7  
Don't leave me stuck in a horrible dream,  
D7 G7  
You found your kingdom was reduced to rubble,  
C E7 G  
And everywhere you go, there will be trouble.

C B7  
Sandman, leave me alone,  
E7 A7  
I don't have anything you call your own,  
Dm Dm7  
Now I'm not trying to be mean.  
C D7 G7 C  
Mister Sandman, don't make me scream.

Mister Sandman, don't make me scream,  
I don't want to have any part in your scheme.  
The only thing I want is never to be  
Between you and your sand and helm and ruby.

Sandman, it's not my fight,  
I just hope I will live through tonight.  
Now I'm not trying to be mean.  
Mister Sandman, don't make me scream.
